#### Additional Information

- Installation should be in accordance with AS/NZS3500 standards.
- In order to fully benefit from warranty claims, please ensure products are installed by a licensed plumber.
- All measurements are in millimeters.
- Dimensions are nominal and subject to normal ceramic manufacturing variations. Please allow +/- 15 mm tolerance.
- For mark-ups & roughing-in, always use actual product measurement.
- Specifications may vary without notice as part of our continuous improvement practices.

#### Maintenance & Care

- Toilet seat cover can be removed for cleaning by pressing quick release buttons and lifting up.
- Clean with a toilet brush or soft cloth/sponge using warm water and mild soap or detergent.
- Do not use any abrasive cleaners, liquids or pastes.
- Do not use solvents or corrosive liquids.
- Please do not close the seat cover forcibly to extend the soft-close function lifespan.
