

'PAL' -Type, Auto Link Fuses

Also known as PAL Fuses, Auto Link Fuses are commonly found on vehicles where the protected current rating reaches 140A. Techspan PAL Fuses meet spec JASO D614 and vary in colour to facilitate identification of each amperage.

For applications up to **32VDC**. They are available in the following forms:

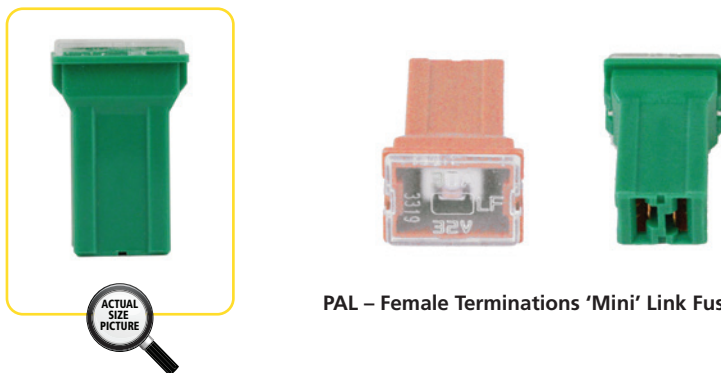

- Female Terminations (Regular & Mini)
- Female Terminations with Locking Tab
- Male Terminations
- Male Terminations with bent connectors (Long & Short)
