

Wire/Cable Tools

Stripper for Flat & Round Type Wire/Cable

669963 Finally, a tool that strips most 'flat' wire/cable as well as round wire cleanly. Simply slide the adjustment to strip the wire/cable type you want. This tool strips flat cable with a circular mil range of 0.75mm² to 4.0mm² (i.e., most PVC jacketed multi conductor cables and parallel jacketed (ribbon) cable). It will also strip stranded wire from 20-6GA. This tool also has a cutter that can cut wire with an outside diameter up to 0.125". Approximate height: 7-1/4" (184.15mm)
