669969 Large Wire/Cable Stripper

669968 Ergonomic Stripper/Cutter

669966 Wire Stripper/Cutter Plier

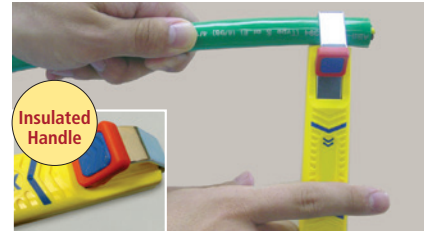

***669967 Heavy-Duty Wire Stripper with Built-In Cutter/Crimper**

Large Wire/Cable Strippers

These tools strip larger gauge wire (8GA to 4/0GA) quick and accurately. Place the hook over the wire or cable, adjust the blade, and spin the stripper around the wire or cable for a clean, even and damage-free strip. Approximate length: 5" (127mm)

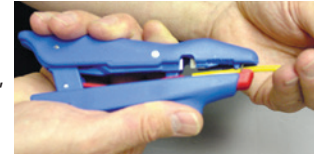

669962 Regular Handle

669969 Insulated Handle for a more comfortable grip

Ergonomic Stripper/Cutter

669968 This tool strips smaller gauge wire (22GA to 10GA) quickly and accurately. European designed, this tool cuts and strips with a simple slide of the thumb. Extremely quick and easy to use with very little muscle fatigue. Approximate length: 6-1/4" (158.75mm).

Wire Stripper/Cutter Plier

669966 Strips and cuts wire from 22GA to 10GA. Approximate length: 6-3/4" (171.45mm)

Heavy-Duty Wire Stripper with Built-In Cutter/Crimper

***669967** IT STRIPS ... 24GA to 10GA wire without damaging the conductor. IT CUTS ... IT CRIMPS ... insulated and non-insulated 22-10GA terminals with ease. Made of strong durable steel alloy. Now made with more comfortable handles. This tool is a must for every wiring project. Approximate length: 8-1/2" (215.90mm)
