

## Fabric Tape & Battery Accessories

### Fabric Harness Tape

Our Fabric Harness Tape is designed to meet the demands of various mechanical and electrical applications. It serves as a dual-purpose tool, providing excellent insulation while also offering a protective outer jacket for wrapping wire harnesses. Whether you're working on a complex electrical project or need a trusted material for mechanical applications, our Fabric Harness Tape is the perfect choice for ensuring durability, safety, and efficiency. Sold individually by the roll.
