Twist & Rip Cable Ties

“Twist & Rip” Cable Ties offer a faster, cleaner and convenient way to bundle. Made from high-performance Nylon 6/6, these cable ties provide sufficient strength and long-lasting durability that users can trust. The innovative tear-away, or “Rip” feature streamlines installation, delivering a tidy, burr-free finish in seconds. Simply **Bundle, Zip, Twist then Rip** away the excess – no cutting tools, no mess, and no wasted time.
