Made in China - Printed in China

LA CROSSE
CLOCK CO.

12 - Inch Inkwell Wall Clock

Model: 404-2631
DC: 071725

POWER UP

1. Insert 1 fresh AA alkaline battery (not included), according to polarity, into the Movement.
2. Rotate the Time Set Wheel to set the time.
3. Mount on a wall and enjoy!

Learn more from our video: bit.ly/wallclock_setup

Note: The quartz movement will keep the clock running accurately. If the clock does not operate, or steadily loses time, replace the battery in the movement

THERMOMETER/HYGROMETER

The Thermometer and Hygrometer are self adjusting and do not require a battery to operate.

MOUNTING

Use the Hanger Hole on the back to mount the clock on a wall.

- **Battery Life:** 12+ Months
- **Dimensions:** 12 in (30.48cm) Diameter
1.5 in (3.81cm) Depth

CARE & MAINTENANCE

When batteries of different brand or type are used together, or new and old batteries are used together, some batteries may be over-discharged due to a difference of voltage or capacity. This can result in venting, leakage, and rupture and may cause personal injury.

- Do not mix Alkaline, Lithium, standard, or rechargeable batteries.
- Always purchase the correct size and grade of battery most suitable for intended use.
- Always replace the whole set of batteries at one time, taking care not to mix old and new ones, or batteries of different types.
- Clean the battery contacts and also those of the device prior to battery installation.
- Ensure the batteries are installed correctly with regard to polarity (+ and -).
- Remove batteries from product during periods of non-use. Battery leakage can cause corrosion and damage to this item.
- Remove used batteries promptly.
- For recycling and disposal of batteries, and to protect the environment, please check the internet or your local phone directory for local recycling centers and/or follow local government regulations.
