WARNING: This product can expose you to chemicals including acrylonitrile, 1, 3-butadiene, and styrene, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to: www.P65Warnings.ca.gov

Made in China - Printed in China

LA CROSSE
CLOCK CO.

23-Inch Maxwell Wall Clock

Model: 404-2658
DC: 020624

Power Up

1. Insert 1 fresh AA, LR6 1.5 volt alkaline battery according to the polarity markings. The battery is a snug fit.
2. Rotate the Time Set Wheel to set the time.
3. Mount on your wall and enjoy!

Note: The quartz movement will keep the clock running accurately. If the clock does not operate, or steadily loses time, replace the battery.

Specifications

- **Battery Requirements:** 1 AA (IEC LR6) required in the movement (Alkaline recommended)
- **Battery Life:** 12 months

Care & Maintenance

Battery replacement instruction:

When batteries of different brand or type are used together, or new and old batteries are used together, some batteries may be over-discharged due to a difference of voltage or capacity. This can result in venting, leakage, and rupture and may cause personal injury.

- Always purchase the correct size and grade of battery suitable for the intended use.
- Always replace the whole set of batteries at one time, taking care not to mix old and new ones, or batteries of different types.
- Clean the battery contacts and those of the device prior to battery installation.
- Ensure the batteries are installed correctly with regard to polarity (+ and -).
- Remove batteries from product during periods of non-use. Battery leakage can cause corrosion and damage to this product.
- Remove used batteries promptly.
- For recycling and disposal of batteries, and to protect the environment please check the internet or your local phone directory for local recycling centers and / or follow local government regulations.
