

BIG MOUTH DOUBLE PULLEY PRUNER KIT

Our heavy-duty double pulley pruner is built for professionals and features forged steel components, a 1.75" cut capacity and a replaceable blade for easy maintenance.

- JE Foam core fiberglass pole section in place of standard aluminum adapter for reduced metallic surface area.
- Lightweight aluminum and fiberglass components for strength and lasting durability.
- Double pulley configuration for reduced pull force and improved ergonomics.
- Precision ground 1-3/4" blade with side cut action for clean, efficient cuts.
- Enhanced spring for smoother cutting action
