

# Velocity® Series Small Rose Door Handles

The Velocity 55mm Series is a stylish range of door furniture suitable for both residential and semi commercial applications. Designed primarily for new installation on timber doors, the range incorporates functionality for use with Mortice Locks in addition to Passage, Privacy and Dummy Levers.

## Installation

Suits door preparations up to 45mm.

### 1 Align 2 Twist 3 Tighten

## Features and Specifications

- All fixings are concealed beneath a removable rose trim providing an aesthetically appealing installation.
- Simple twist and tighten fixing method and pre-assembled lever sets allow for super easy and fast installation.
- Lever range includes two AS1428.1 compliant levers and six designer levers.
- Accessories include AS1428.1 compliant turn, standard turn and privacy indicating emergency turns.
- The 55mm rose suits up to 45mm door preparations commonly used with mortice locks or latches.
- Designed in Australia for the specific needs of the Australian market.

Note: Usage of VSR/VSS-SPACER (to be ordered separately) will suit the product for retrofit applications.

| <b>Materials</b>       | All Velocity levers are made of solid zinc diecast with steel rose trims and the roses are made of aluminium.                                                                                                                                                                                                                                                                                                                         |
| <b>Latches</b>         | Passage sets are available with a 60mm backset tubular latch. Privacy sets are supplied with a 60mm backset privacy latch which includes a locking pin for the inside of the door and an external emergency release function. The latch is automatically released when the internal handle is operated and is easily adapted for both open in and open out applications. All latches are supplied with industry standard "D" strikes. |
| <b>Door Thickness</b>  | 32mm to 45mm hinged doors                                                                                                                                                                                                                                                                                                                                                                                                             |

### Square Rose Ordering Procedure

| Function          | Satin Chrome Finish | Matt Black Finish |
|-------------------|---------------------|-------------------|
| Mortice Lever Set |                     |                   |
| Passage Lever Set | VSS1-TRIMSC         | VSS1-TRIMMBK      |
| Dummy Half Set    |                     |                   |
| Privacy Lever Set | VSS2-TRIMSC         | VSS2-TRIMMBK      |
| Escutcheon Trim   | VSS6-TRIMSC         | VSS6-TRIMMBK      |

Square Rose Lever Sets are ordered in the same manner as Round Rose Lever Sets above with the addition of a Square Rose Trim Pack. For example a Mortice Lever Set, Lever 5 in Satin Chrome will require both VSR0/L5SC and VSS1-TRIMSC.

Note: Same ordering procedure applies for Escutcheons as well. All type of Escutcheons from VSR 5 - 9 will need same square trim VSS6-TRIM
