Fixture Assembly

Step 2. Fasten 2 screws into the mounting plate so they extend away from the wall when the mounting plate is installed.

Step 3. Attach the mounting plate to the outlet box with screws.

Step 4. Refer to wiring diagram.  
Splice the ribbed side of fixture cord to the white supply wire from outlet box with wire connector. Splice the smooth side of the fixture cord to black supply wire from outlet box with wire connector

Step 5. Carefully tuck in all wires. Attach the backplate to the crossbar with mounting screws. Secure the fixture to the wall with the flat screws.
