

# MPPT SOLAR CONTROLLER PRO BT 40/60

**CATEGORY:**  
MPPT CONTROLLERS

**MODEL TYPE:**  
GP-BT-1

**2 YEAR  
WARRANTY**

## SYSTEM CONTROL AT YOUR FINGERTIPS

Unlock the full potential of your RV's power system with the Go Power! Connect app!

Get real-time insights into your solar charging stats, battery levels, and power consumption on your mobile device. Monitor performance, and set inverter and charging parameters. Available on the iOS and Android app store.

## SPECIFICATIONS

|                             |                                              |
|-----------------------------|----------------------------------------------|
| Input Voltage               | 5-12V                                        |
| Standby Power Consumption   | 0.04W                                        |
| Operating Power Consumption | 0.05W                                        |
| Communication Distance      | ≤15m                                         |
| Serial Baud Rate            | Fixed baud rate: 9600bps                     |
| Communication Mode          | RS232                                        |
| Port Type                   | RJ12                                         |
| Connection Mode             | Standard network cable (parallel cable)      |
| Operating Temperature       | -4°F to 167°F / -20°C to 75°C                |
| Dimensions (H x W x D)      | 2.60 x 2.01 x 0.61 inches (66 x 51 x 15.5mm) |
| Installation Dimensions     | 2.26in, ø0.13in (57.5mm, ø3.2mm)             |
| Protection                  | IP67                                         |
| Weight                      | 0.12kg / 0.26lbs                             |
| Warranty                    | 2 Years                                      |

## GP-BT-1

A Solar Controller (or Charge Controller / Regulator) is an essential component of your photovoltaic solar system. The Controller maintains the life of the battery by protecting it from overcharging.

The GP-BT-1 is compatible with Go Power!'s Bluetooth™ ready GP-MPPT-PRO-40 and GP-MPPT-PRO-60 solar controllers and can work seamlessly with the Go Power! Connect mobile app giving you the ability to wirelessly monitor your controller's parameters setting and data view.

## KEY FEATURES

**ALLOWS WIRELESS  
MONITORING AND CONTROL**

**UP TO 15 METERS  
COMMUNICATION DISTANCE**

**SUPPORTS AN EASY-TO-  
USE PLUG & PLAY APP**

**EMPLOYS A DEDICATED  
BLUETOOTH™ FOR QUICK  
COMMUNICATION**
