

SAFE-T LADDER GATE

Part #: 10798

Instructions for Assembly

✗ Do not throw instructions away.

⚠ Read and understand instructions before using this equipment.

■ **Meets or exceeds:** OSHA 1910.29 & 1926.502

■ **Materials:** Powder-coated aluminum.

■ **Components:** (4) Allen Screws (4mm or 5/32 in)
(2) Brackets
(1) Safety Ladder Gate)

⚠ **WARNING** NEVER move, shift, or extend ladder when in use.

⚠ **WARNING** NEVER carry loads that may cause loss of balance.

⚠ **WARNING** NEVER modify or misuse Safety Ladder Gate.

⚠ **WARNING** Areas around top and bottom of ladder must be kept clear.

⚠ **WARNING** One hand must always grasp a ladder rung during climbing.

⚠ **NOTE** Adhere to ladder slope requirements (4:1, - vertical/horizontal).

⚠ **NOTE** Top rung step of ladder must be in line with landing platform.

⚠ **NOTE** ONLY use in combination with #10800 Safe-T Ladder Extension System.

⚠ **NOTE** Ladder MUST be secured to landing platform to use Safety Ladder Gate.

⚠ **NOTE** Only use ladder on stable and level surfaces.

Prepare Gate for Installation

■ Step 1

Grip bottom (long) gate bracket attachment point on gate.

■ Step 2

Rotate gate past 360° to load self-closing mechanism.

■ Step 3

DO NOT allow gate to release during installation.

Installation

■ Step 1

Install prior to using ladder. NEVER install while climbing.

■ Step 2

Place pre-loaded place Safety Ladder Gate on Safe-T Ladder Extension System rail that will face toward intended work surface. Ensure top of Safety Ladder Gate will be 42 in (+/- 3 in) above work surface.

■ Step 3

Attach Safety Ladder Gate brackets. Two Allen screws MUST be used per bracket. Tighten all Allen screws with compatible Allen wrench (4mm or 5/32 in) until hand-tight.

■ Step 4

Ensure that gate self-closing mechanism is functional and properly loaded by opening gate and allowing it to close. Reinstall if gate does not self-close.

■ Step 5

Secure ladder to landing platform and ensure it will withstand MINIMUM 200 lb outward force applied to top rail of Safety Ladder Gate.

WARRANTY: Guardian warrants to Buyer that all products are free from defects in material, workmanship, and design (if a Supplier-responsible design), however this warranty does not cover conditions resulting from normal wear and tear, neglect, abuse, accident or otherwise. Guardian's obligations under this warranty apply for the lifetime of the products and are limited to the replacement of product only. This warranty is not transferable to any other Guardian service and does not apply to product that is resold after having been put into service. No other person, firm, entity, or the like is authorized to assume or assign for Guardian any other liability in connection with the sale or use of Guardian's products. Furthermore, this warranty is void if any product is changed or altered in any way, or if the product is used in a manner other than for which it is intended. There are no implied warranties of merchantability or fitness for a particular purpose, which are specifically disclaimed.
