Tether Cinch Loop Series
Installation and Usage Instructions

Please read instructions carefully and fully before installation and/or usage.

TETHCNCHEY

IMPORTANT INFORMATION:
- Dispose of if a drop is experienced
- Inspect prior to each use for the following and discard if found:
  - wearing of the rope
  - degraded stitching
  - fraying or cuts to the rope
  - deformation of metal components

INSTALLATION

Step 1

Inspect tool tether hole to assure there are no burrs or sharp edges that could cut the cinch loop.

Step 2

Insert the rope end loop through the tool tether hole as shown and feed the other end back through the loop.

Step 3

Pull on the eye hole to tighten and position to the desired location.

Step 4
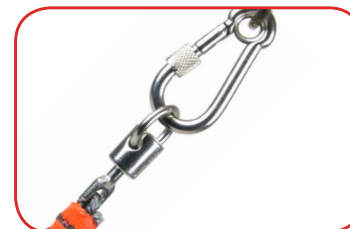

Attach tool tether to the eye hole and begin use.
