

781 AccuBore® PISTOL GRIP THREAD GAGES

Starrett®

PRECISION HAND TOOLS

781 AccuBore® PISTOL GRIP THREAD GAGES

Measure thread pitch diameters faster and easier with the Starrett 781 AccuBore® Pistol Grip Thread Gages. Designed for ergonomic one-handed operation, these thread gages deliver quicker thread measurements without the time-consuming process of threading plug gages in and out. Interchangeable thread heads support a wide range of English and Metric thread forms across compatible gages. Rapid data recording enables measurements with a push of a button, and the IP67-rated design stands up to demanding shop-floor environments. The AccuBore® indicator may be swiveled and rotated for left, right hand or vertical viewing. Improve productivity, reduce calibration costs, and gain real-time process control.

FEATURES

- Single-hand operation with right- and left-hand viewing flexibility
- Large, easy-to-read display
- Convenient "Go/No-Go" tolerance indicator lights
- Resolution .00005" (0.001mm)
- Accuracy of up to .00015" (0.004mm)
- Push button inch/metric conversion
- Preset and preset recall
- Hold, max/min and zeroing capabilities
