### DESCRIPTION

The Nash Ceiling Fan with LED Light Kit combines modern style with versatile performance. Featuring a clean three blade design, Nash offers a streamlined look that complements contemporary interiors while delivering efficient air circulation and integrated lighting. With reversible blades offering two finish options, Nash easily adapts to a variety of spaces and design preferences. Powered by a quiet, energy efficient DC motor, Nash provides smooth operation and enhanced control. The included wall control allows seamless adjustment of both the fan and the LED light kit, making it a practical and stylish solution for bedrooms, living rooms, and other everyday spaces.

- **Modern Three Blade Design** – Clean, contemporary styling delivers efficient airflow with a minimalist aesthetic.
- **Reversible Blade Finishes** – Each blade features two finish options, allowing you to choose the look that best suits your space.
- **Integrated LED Light Kit** – Provides energy efficient illumination with on off and dimming control.
- **Six Speed DC Motor** – Quiet, energy efficient DC motor offers six fan speeds for customized comfort.
- **Reverse Function** – Allows the fan to circulate warm air during colder months for year round use.
- **Wall Control Included** – Convenient wall control operates both the fan and the light kit for easy everyday use.

- BN - Brushed Nickel (Medium Wood or Dark Wood reversible blades)
- MB - Matte Black (Matte Black or Medium Wood reversible blades)
- WH - White (White Wood or Light Maple Tone blades)
