DESCRIPTION

Highlight what matters with the Paolo Adjustable Spotlight Track Kit, a performance-driven solution designed for the Kuzco Trilo Track System. This complete kit includes the sleek Trilo track, a low-profile power source, an elegant canopy cover, and Paolo track heads.

Paolo's directional spotlight design delivers focused, adjustable illumination, making it ideal for accenting architectural features, artwork, or functional zones within a room. Rotate, tilt, and aim each head exactly where light is needed most. Built for versatility and style, Paolo pairs minimalist form with maximum function.

Whether you're designing a gallery wall, spotlighting a kitchen workspace, or layering lighting in a modern home, Paolo ensures every detail shines.

- All-in-One Track Lighting Kit – Includes Trilo track, power feed, canopy cover, and Paolo adjustable spotlights for a complete installation
- Directional Precision – Adjustable spotlight heads allow for focused lighting on artwork, shelving, or work surfaces
- Customizable Options – Available in two sizes and a range of finishes to fit any modern interior
- Architectural Functionality – Ideal for accent lighting, task lighting, or layered lighting in both residential and commercial spaces
- Flexible Track Positioning – Mount Paolo heads anywhere along the Trilo track for tailored lighting layouts
