## Product Specification Sheet

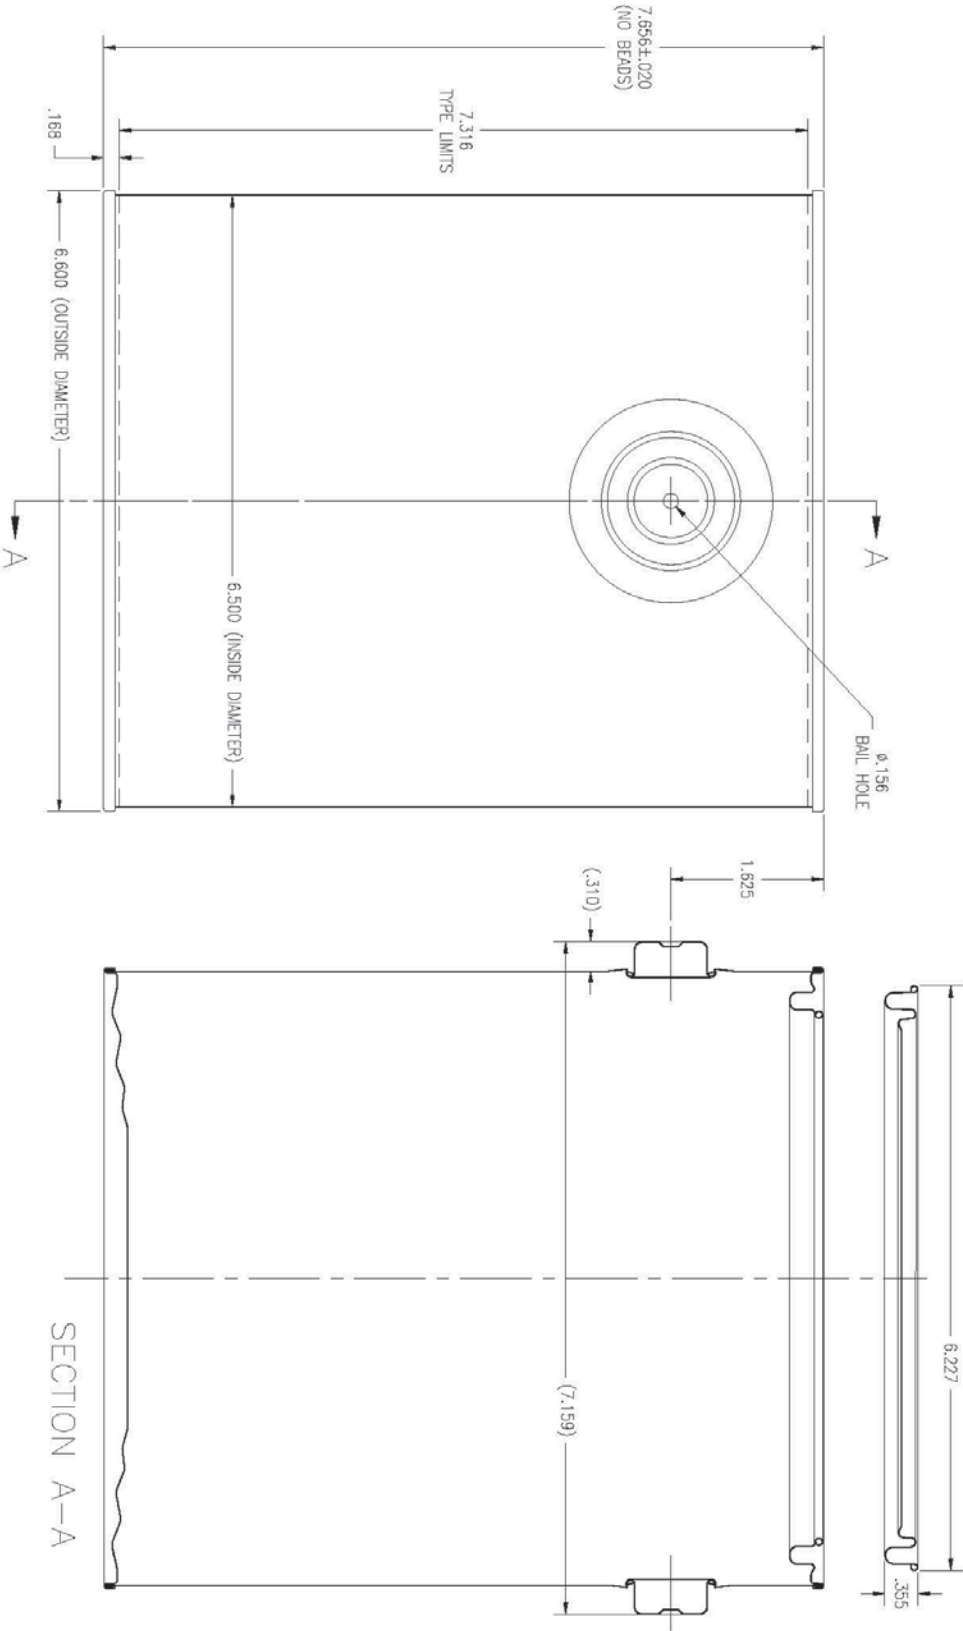

Illing Part#

1101HT

Customer Coating Data Sheet

**Liner Description/Color:** 1447/Gray

**Film Resin:** Modified epoxy

**Use:** Water based products

**Component:** Plug, ring, body & bottom

**FDA Status:** Not compliant

**Application Method:** Roll coat

**Cure Temperature:** 400°F PMT

### Compatibility

Formulated products have different characteristics and do not always perform the same. In the absence of commercial packaging history, commodity testing is suggested to confirm liner and product compatibility. Testing should be conducted prior to commercial filling.
