Rev.	Description	By	Date	ECR
A	Original Release	AS	06/20/2011	N/A
B	UPDATED DIMENSION	AS	11/08/2017	N/A

Notes/Comments:

1. Dimensions are nominal (in millimetres/centres).
2. The drawing represents the bottle 24 hours after time of manufacture.
3. The dimensional tolerances are related to the Oarell height of the container and are to be applied to all height dimensions.
4. The dimensional tolerances applied to the major diameter or width of the container are to be applied to all diameter, width and thickness.
5. The actual weight will vary based on the actual production weight of the preforms.
6. Fill levels are based on room temperature water.
7. *Fit* Prostics, *Fit*, assumes no responsibility for all function or form of contents with this bottle.
8. The customer is responsible to determine the suitability of the intended use of this product and to keep it in a suitable environment (cool and dry) during transportation, storage and handling.

CONFIDENTIAL
