

**FRÍANT**

Materials and Finishes Catalog

# A Great Project Starts with Quality Materials

At Friant, we believe in furniture that’s designed to perform and solutions that provide our end-users the elements needed to create an efficient and modern workspace.

We offer an extensive range of quality fabrics and materials, which we have sourced to meet both the environmental and valued standards Friant is known for.

Want to customize your workspace? Work with Customer Success for a more personal look by customizing your system with COM fabrics (Customers Own Materials).

To explore more, visit friant.com.

Friant, All Work Styles Welcome.

# FABRICS

Available on Essentials Program

Fabric is scheduled for discontinuation when inventory is exhausted. Contact Customer Success for current stock levels. After discontinuation fabric will be available with extended lead time.

For further information, view the Materials Reference Guide on the DRC
