

LED Dual Head Security Lights

Available in Black or White Finish and Motion Sensor / Dusk-To-Dawn option.

- ✓ 120W equivalent brightness delivering 2200 (White Finish Models only) and 2000 lumens (Black Finish Models only) of crystal-clear light to keep your property secure and well-lit
- ✓ Wet Rated IP66-rated with premium aluminum body and stainless-steel fasteners for superior durability in all weather conditions
- ✓ Easy installation with single center screw mounting system with adjustable heads (no tools required) for quick setup on walls or eaves
- ✓ Integrated photocell automatically turns lights on at sunset and off at sunrise, saving energy while maintaining security (Motion Sensor Model Only)
- ✓ Advanced motion sensor with 180° detection range and 60-foot distance capability, automatically activating when movement is detected (Motion Sensor Model Only)
- ✓ Ideal for illuminating your driveway, backyard, patio, or entryway
