Spilfyter 3"x4' Premium Absorbent Sock w/ SpilLock (15 ct)

3"x4' Spilfyter Premium Absorbent Sock With SpilLock (15 ct)

FEATURES & BENEFITS

- Soaks up more leaks and spills than our standard socks as well as most other absorbent socks.
- Socks mold around equipment and fit in hard to reach places.
- SpilLock technology absorbs the water-based fluids and holds them inside the sock to prevent drips and leaching.
- Just wrap these flexible absorbents around cases and machinery to capture excess condensation and troublesome leaks.
- Spilfyter premium socks absorb both petroleum and water-based liquids making them the ideal general-purpose absorbent sock. Not recommended for aggressive fluids.
