77-5001

CORE ATTRIBUTES

SKU	77-5001
Name	Medium Weight Single Lam Maintenance Roll 50cm x 40m

MARKETING

Features & Benefits	• Constructed from two layers sonically bonded together for added strength and durability • Top layer made from low-lint, spun-bond polypropylene for clean, professional performance • Base layer features a low-slip finish, making it ideal for use in areas with regular foot traffic • Low linting design reduces contamination, suitable for maintenance and industrial applications • Easy-tear perforations allow controlled use, minimising waste and reducing costs • Medium weight construction provides a balance of absorbency and strength • Also available unboxed in bagged form – add BA to the end of the product code when ordering
