Oil, water, solvents, and coolants

100 COUNT PACK
Bag

RR-PAD

Rag Rug Pad- 16.8"x20"- 100 count- Heavy weight

FEATURES & BENEFITS

- Updated for 2024 - re-engineered for greater performance!
- Economical and efficient industrial absorbent rug ideal to place in areas where overspray, leaks, drips and spills can occur.
- Absorbs oil, water, hydraulic fluid, coolants, solvents and many other liquids without the industrial rag rugs looking dirty.
- New and improved product is 30% stronger and absorbs up to 40% more.
- Rag Rug is made from post-industrial recycled fibers â,¬â€ re-purposing waste that would otherwise end up being thrown away.
- This versatile product can be used for both short or long-term applications and even be re-used.
- Industrial Rugs are a very durable anti-fatigue product.
