

CORE ATTRIBUTES

SKU	USRB-90
Name	Sustayn Biodegradable* 32"x150' Universal Heavy Sorbent Roll

MARKETING

Features & Benefits	• *Biodegrades up to 3x faster than standard meltblown pads tested in landfill-simulated conditions per ASTM D5511 • Made from 90% recycled content, reducing landfill waste and reliance on virgin resources • Quickly locks in oil, coolants, solvents, water-based liquids, and spills with durable, tear-resistant, nonwoven fibers without sagging, leaking or disintegrating • Helps minimize long-term environmental impact and supports circular economy efforts

PRODUCT INFORMATION

Absorbency (Gal)	53
Absorbent Type	Universal
Brand	Sustayn
Cases Per Layer	8
Embossing/Bonding	Dimpled
Grade/Weight	Heavy
Layers Per Pallet	3
Perforations	T
Product Category	Sorbent Pads and Rolls
Roll Diameter/Bale Height (in)	16

Shipping Height (in)	32.5
Shipping Length (in)	16
Shipping Width (in)	16
UPC	810042429123
Web Weight	21.67
