FEATURES & BENEFITS

- A solution that reduces and re-uses pre- and post-industrial waste.
- A responsible choice made from over 90% recycled material.
- Sustayn sorbents perform the same as our standard absorbent pads and rolls.
- Product packaging includes over 30% post-consumer recycled material.
- Perforated so you can easily use only what you need and further reduce waste.
- Universal pads and rolls are gray in color and will help hide unsightly spills.
