At last, a tray for both indoor and outdoor use

Perfect for containing wet and messy play

Built to outlast sticky fingers, glitter spills and the daily grind.

For teachers who'd rather spend more time tackling curiosity than crumbs.

Easy to clean – wipe once.

76%* of teachers set aside time more than once a week to clean storage

Protected by BioCote® to reduce bacteria by 97%*, CloudCubby is the easy-clean solution that keeps busy learning spaces safer.

Precision-moulded with the quality and innovation you expect from Gratnells, offering a stylish, durable indoor and outdoor storage solution.

* Research conducted by Censuswide, among a sample of 301 teachers.

ANTIMICROBIAL TRAYS WITH BUILT IN BIOCOTE®

BioCote® reduces the growth of bacteria on our trays by 97%*, making them the perfect fit for the busy classroom environment.

* Results from a study of two identical classrooms where one was treated with BioCote.

Weight	✓ Lightweight for easy movement	✗ Heavy & bulky
Color Options	✓ Four nature-inspired colors backed by educational research	✗ No research behind tones for educational settings

SAFETY FIRST with CloudCubby

No Safety Hazard

Other trays pose hazards with poor quality brittle materials. CloudCubby is ergonomically designed, smooth, and safe, allowing children to engage freely without added worries.

Built for the Real World

Traditional wicker can't keep up with the energetic hustle of young learners. CloudCubby is robust and resilient, meticulously engineered for heavy use in the vibrant chaos of learning spaces providing a safe and durable solution for active learners.

Listening to Educators

Over half of teachers we independently surveyed expressed concerns about safety. CloudCubby is designed for safety and practicality, backed by a lifetime guarantee.
