Clever selling with full kit solutions

Top 3 reasons to sell in bundles

1

Turn individual kit sales into full-class orders

Gives schools a clear reason to move to 6–8 kits per class

2

Increase order value instantly

The trolley costs less than one kit but enables a significantly larger sale

3

Offer a complete school solution

Central storage makes it practical to share kits across classrooms, helping schools justify spend and maximise value per student

Bundle 1

6 kits + trolley

Bundle 2

8 kits + trolley + pockets

Clear upgrade path

Supports higher-value orders

Easy to present and specify

Booklet & curriculum material storage

Gratnells trays can be purchased separately to keep booklets and teacher resources together with the kits they belong to.
