

## Declaration of Conformity Trays, Runners and other Plastic Products

We hereby declare that, to the best of our knowledge and based on the available compliance documentation and testing, the plastic trays, runners, and associated plastic components manufactured and/or supplied by Gratnells International Unipessoal LDA comply with the applicable requirements of the following standards and regulations.

1. Mechanical, Physical and Flammability Safety Standards Based on accredited laboratory testing performed on our plastic products:

- EN 71-1:2014+A1:2018 – Mechanical and Physical Properties
- EN 71-2:2020+A1:2025 – Flammability
- BS 5873-4:1998 – Strength & Stability (Heavy Level G.1–G.4 tests)
- GB Toy Labelling Review – Label and marking verification

2. Chemical Safety Standards:

- EN 71-3:2019+A2:2024 – Migration of Certain Elements
- REACH Regulation (EC) 1907/2006
- POPs Regulation (EU) 2019/1021
- PFAS Compliance – no intentionally added PFAS substances

Declaration based on supplier declarations and compliance documentation; accredited laboratory testing covering EN 71-1, EN 71-2, EN 71-3 and BS 5873; manufacturing processes involve physical mixing and moulding only.

Scope of Products Covered:

This Declaration applies to all plastic storage trays, runners, inserts, and associated plastic components under Gratnells product families.
