COMFORT CLAD

BE COOL

BE WARM

BE COMFORTABLE

Comfort Clad provides additional insulation to your home to help keep you cool in the summer and warm in the winter. Comfortable all year-around. No matter which profile you prefer, our insulated Comfort Clad vinyl siding better insulates your home by reducing thermal conductivity.

- Added impact resistance: resists dents and hail damage
- Does not require painting
- 5.0 Permeable rating allows the siding to breathe and not absorb moisture
- Reduces thermal conductivity
- Armor Coat™ finish inhibits color fading and provides outstanding weatherability*
- Meets or exceeds industry standards for ASTM D3679
- Meets VSI standards
- Limited-lifetime warranty
- Made In the U.S.A.

.046 Thickness

Panel lies snug against the wall reducing surface irregularities, providing a smooth, uninterrupted sight line.

.046
THICKNESS

Rigid EPS Insulation

Foam laminated to the panel, increases the rigidity and solid feel of each panel.

Termite Protection

Foam contains Preventol®, providing additional termite protection.

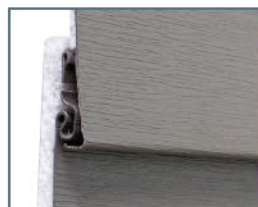

.046
THICKNESS

Double Staggered Nail Hem

Wind resistance through a better engineered nail hem.

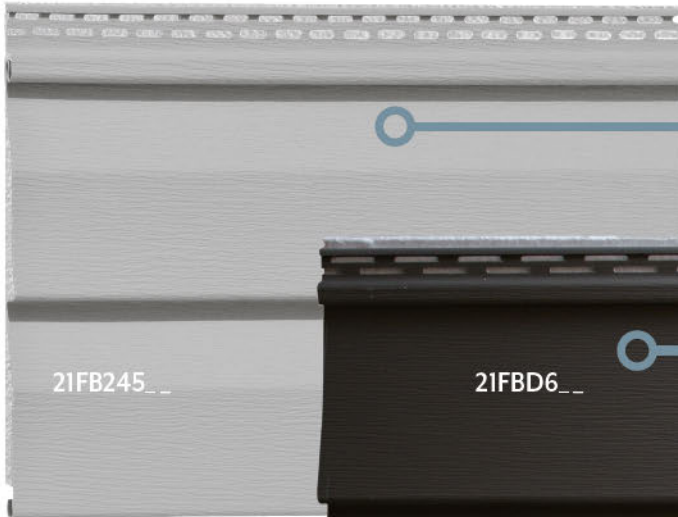

Tuff-Lock®

Locks each panel firmly to the panel below for superior integrity.

*Varying levels of Armor Coat™ depend on richness and brightness of color.
