FairField® Vinyl Siding w/Reinforced Nail Hem
SCI® Vinyl Siding meets or exceeds all industry standards per ASTM D3679.

Product Test Data

Siding Thickness.....	0.044" ± .001"
Specific Gravity.....	1.45
Tensile Strength (PSI).....	7,154
Tensile Modulus (PSI).....	416,900
IZOD Impact Strength @ 32°F.....	Passes per ASTM D3679
Heat Deflection Temp. @ 264 PSI.....	169°F
Coefficient of Linear Expansion.....	3.30 x 10 ⁻⁵
Warpage.....	0.00"
Heat Shrinkage.....	0.3%

Surface Distortion @ 140°F.....	0
Flame Spread Index.....	10
Fire Rating.....	Class A
Smoke Developed.....	395
Fuel Contribution.....	0
Average Time Of Burning.....	Self extinguished
Average Extent Of Burning.....	2.379 mm
Weathering.....	Passes per ASTM D3679
Impact Resistance.....	Passes per ASTM D3679

Express your home's impeccable elegance.

With the most diverse selection of rich colors and deep-etched woodgrain patterns, FairField® vinyl siding offers you the highest-end styles to express yourself and give your dream home a beautiful new exterior.

All FairField® products are made with Style Crest®'s proprietary tri-extrusion technology, which produces some of the highest quality vinyl siding available in the world. It combines the vibrant color of virgin cap stock with the durability of a premium-grade recycled PVC-blend core. The result is an exceptionally low-maintenance, long-lasting and durable choice in exterior home cladding.

Strong relationships. Strong results.

RMC Siding® continually brings our customers innovation with an extensive line of beautiful, high performance products. As an integrator and value creator, we provide only the best products that meet and exceed the needs of today's homeowners for style, durability and carefree enjoyment. Through every interaction, we also strive to build lasting partnerships with our customers. Because we believe strong relationships lead to strong results. Our shared commitment leads to our shared success.
