Kid's Size FDA/ASTM Level 2 Disposable Masks

S99C (50 pcs.) and S99CM (3,000 pcs.)

Children over the age of 2 should wear face masks in public, according to the [CDC](#) (Trusted Source) and the [American Academy of Pediatrics](#) (AAP), especially in situations where physical distancing is difficult.

"One of the most important factors today is to find a mask that fits a child's face well to help prevent them from fidgeting with it" explains [Vivek Cherian, MD](#), a surgeon and internal medicine physician based in Baltimore, Maryland.

Now, HamiltonBuhl® has the ideal solution for protecting children better – Kid's Size Disposable Masks. Built for durability, functionality and comfort, these masks provide a better fit, stay on longer, so kids are better protected. Get yours today!

S99C One Box – 50 pcs. per box

S99CM Master Carton – 3,000 pcs. per carton

Features

- High Filtration Performance and Effectiveness: This FDA/CE-Approved mask provides PFE/BFE/VFE filtration efficiency of over 99%
- Disposable Antiviral Face Mask for Kids: Stay healthy and safe when at school or outside by wearing a HamiltonBuhl® disposable face mask. These kid-sized masks protect from pollutants and allergens, including for pet allergens
- Provides three layers of protection
