

EXAM DRAPE SHEET

SINGLE USE

PRODUCT DESCRIPTION:

- Disposable, non-sterile drape sheet for protecting patient privacy during exams and procedures. Also useful as a barrier to protect patient clothing from ultrasound jelly and other gels used in diagnostic testing. Clean, white drapes give a professional look to your practice.

FEATURES:

- Two-ply thickness provides excellent coverage, even during repositioning.
- Soft and breathable that provide modest protection and covering.
- Provides patient protection and privacy without the fear of tearing or penetration.
- Ideal for routine exams and office procedures where patient or equipment draping is required.

THREE SIZES:
40" x 48"
40" x 60"
40" x 72"
