

POWDER FREE VINYL EXAM GLOVES

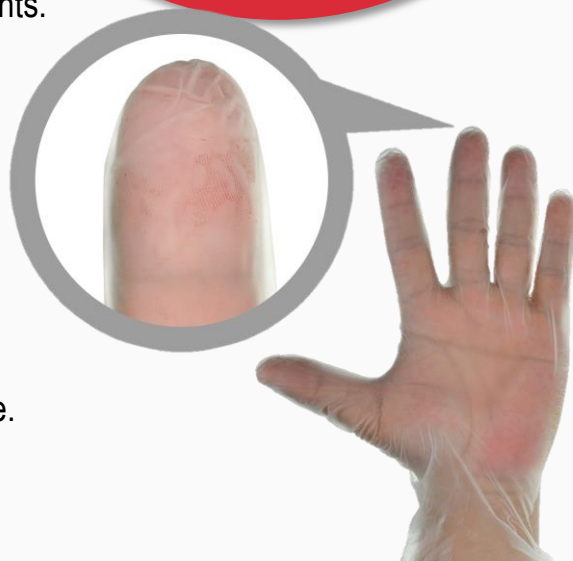

SINGLE USE ONLY
MEDICAL EXAM GLOVES

DESCRIPTION: Powder Free Vinyl Exam Gloves

PRODUCT DETAILS:

- The Vinyl Exam Gloves are crafted to provide strength and covering without the risk of allergic reaction, making them an excellent choice for physical examination of patients.
- Soft to the touch and designed with an elastic yet loose fit to provide comfort when wearing gloves for extended periods of time. Offer a smooth finish for delicate care.
- Ambidextrous and disposable, these non-irritating vinyl gloves provide complete protection when needed in places such as outpatient offices, nursing facilities and home health, making them the preferred choice for those with latex allergies. Ideal for all purpose medical use.
- Provide more protection than vinyl gloves and do not cause any allergies associated with latex gloves.
- These gloves follow Standard and Universal Precautions and are least reactive to chemicals and ensure comfort and tactile sensitivity for delicate patient care.
