

PROCEDURE FACE MASK WITH EAR LOOP

DESCRIPTION:

Procedure Face Mask with Ear Loop

QTY:

50/Box and 100/Box

PRODUCT DESCRIPTION:

- Provides protection as face mask, covering both nose and mouth. Ideal for simple, low-risk procedures involving spray and splatters, moisture and light dust.

FEATURES:

- Extra-soft ear loops for a close, comfortable fit, easy donning, and eliminates pressure to the ears.
- Flexible nosepiece that helps form a closure for better protection.
