

PROCEDURE FACE MASK WITH EAR LOOP AND SHIELD

ITEM # 784011

DESCRIPTION: Procedure Face Mask with Ear Loop and Shield

QTY: 50 masks/box

PRODUCT DETAILS:

- Ideal for simple, low-risk procedures involving spray and splatters, moisture and light dust.
- Provides double protection as face mask and eye shield.
- Sewn in elastic ear loops for a close comfortable fit and easy donning.
- Clear plastic face shield protects face and eyes against liquid splash or particles.
- Flexible nosepiece that helps form a closure for better protection.
- Fits easily over prescription glasses or protective eyewear.
