Interest on the Bonds will be payable on each semi-annual interest payment date and principal of the Bonds will be paid annually as set forth in the foregoing maturity schedule, in same-day funds to DTC or its nominee as registered owner of the Bonds. Consecutively maturing Bonds bearing the same interest rate may be converted to term Bonds maturing in the final year of such particular consecutive series in the manner described in the Preliminary Official Statement under the caption “THE BONDS – Mandatory Sinking Fund Redemption”, subject to all of the terms and conditions set forth in the Indenture. Bidders may specify that all of the principal amount of Bonds in any two or more consecutive years may, in lieu of maturing in each year, be combined to comprise one or more maturities of Bonds scheduled to mature in the latest of such years and be subject to mandatory sinking fund redemption as described below. Bidders may specify one or more of such term Bonds. In the event that a bidder chooses to specify a Term Bond, each such Term Bond shall be subject to mandatory sinking fund redemption commencing on November 1 of the first year which has been combined to form such Term Bond and continuing on November 1 in each year thereafter until the stated maturity of such Term Bond. The amount redeemed in any year shall be equal to the principal amount for such year set forth in the amortization schedule above.

Rating

Standard & Poor’s Ratings Services, a division of The McGraw Hill Companies, Inc. (“S&P”) has assigned to the Bonds a long-term rating of “A-”, accompanied by a Stable Outlook.

Interest Rate and Bidding Details

Each bidder shall designate a rate of interest per annum to be paid on the Bonds of each maturity subject to the following limitations:

- (i) all Bonds of the same maturity must bear the same rate of interest and no one Bond shall bear more than one rate of interest;
- (ii) no interest rate shall be other than a whole multiple of one-twentieth (1/20) or one-eighth (1/8) of one percent (1%) and a zero rate of interest may not be named;
- (iii) the Initial Reoffering Price (see term defined on the next page) for Bonds of any maturity must be greater than or equal to 95% of that maturity’s par value; and
- (iv) an interest rate of more than five percent (5.00%) may not be used.

No bid for the Bonds at a price less than 95% of their par value will be considered. Bids may specify any number of interest rates subject to (i) through (iv) above. No bid will be considered which does not offer to purchase all of the Bonds.

All electronic bids must be delivered via *PARITY*. To the extent any instructions or directions provided by *PARITY* conflict with this Notice of Sale, the terms of this Notice of Sale shall control. Each bidder submitting an electronic bid agrees by doing so that it is solely responsible for all arrangements with (including any charges by) *PARITY*, that the Authority and the College do not endorse or encourage the use of *PARITY*, and that *PARITY* is not acting as an agent of the Authority or the College. Instructions for submitting electronic bids must be obtained from *PARITY*, and the Authority, the College and George K. Baum & Company, the College's Financial Advisor (the "Financial Advisor to the College") do not assume any responsibility for ensuring or verifying bidder compliance with the procedures of *PARITY*. The Authority and the College shall be entitled to assume that any bid received via *PARITY* has been made by a duly authorized agent of the bidder. Acceptance of electronic bids shall be subject to the limitations set forth in "**Warnings Regarding Electronic Bids**" below.

Warnings Regarding Electronic Bids

The Authority, the College and the Financial Advisor to the College assume no responsibility for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted or received at the official time for receipt of bids. The Authority, the College and the Financial Advisor to the College assume no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete or not received.

The Authority and the College will accept bids in only electronic form and only through *PARITY* on the official bid form created for such purpose by *PARITY*. Each bidder, by submitting an electronic bid, understands and agrees that in doing so it is solely responsible for all arrangements with *PARITY*, that the Authority and the College neither endorse nor explicitly encourage the use of *PARITY*, and that *PARITY* is not acting as agent of the Authority or the College. Instructions and forms for submitting electronic bids must be obtained from *PARITY*, and the Authority, the College and the Financial Advisor to the College assume no responsibility for ensuring or verifying bidder compliance with the procedures of *PARITY*. The Authority and the College shall assume that any bid received through *PARITY* has been made by a duly authorized agent of the bidder.

Reoffering and Sale of Bonds to Public

Within thirty minutes after notification of award of the Bonds, the successful bidder (the "Purchaser") shall provide to the Authority, the College and the Financial Advisor to the College the initial offering price to the public (excluding bond houses and brokers or similar persons or organizations

acting as wholesalers or underwriters) for each maturity of the Bonds (the “Initial Reoffering Prices”) and certain other information to enable the Financial Advisor to the College to compute the yield on the Bonds for federal income tax law purposes, on behalf of the College. The Purchaser will be required to provide a certificate regarding the issue price of the Bonds prior to settlement for the Bonds in form satisfactory to the Authority and Bond Counsel establishing that the Purchaser reasonably expected on the award date to make, and has in fact made, a bona fide offer of the Bonds to the general public (not including bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the Initial Reoffering Prices, at which prices at least 10% of each maturity of the Bonds was sold, with any exceptions noted. Such certificate shall be substantially in the form set forth in Appendix A attached to this Notice of Sale.

Each bidder, by the submission of a bid, agrees that if it is the Purchaser, it will make a bona fide public offering of the Bonds at prices not greater than the Initial Reoffering Prices, offer the Bonds only pursuant to the Official Statement and only in jurisdictions where the offer is legal, and deliver a copy of the Official Statement to each person or entity that purchases the Bonds from the Purchaser as required by Securities and Exchange Commission Rule 15c2-12 (the “Rule”). The Purchaser shall abide by all rules of the Municipal Securities Rulemaking Board (“MSRB”) in connection with the issuance and sale of the Bonds, including the delivery to the MSRB’s Electronic Municipal Market Access (“EMMA”) of the Official Statement.

Basis of Awards

Award of the Bonds will be made at or before 3:00 P.M. Eastern Time, on June 22, 2016 or, in the event of the announcement of an Amended Bid Date, the date specified in the Amended Notice. The Bonds will be sold to the bidder making a bid conforming to the terms of the offering which, on the basis of the lowest net effective interest rate for the Bonds, determined in the manner hereinafter stated, is the best bid, subject to the right of the College in its sole discretion to reject any and all bids. The net effective interest rate for the Bonds shall be the interest rate determined on a true interest cost (“TIC”) basis by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the debt service payments to the date of delivery of the Bonds, proposed to occur on June 29, 2016, unless otherwise announced in an Amended Notice, to the price bid, including interest accrued to the date of delivery, if any. In the event of more than one bid specifying such lowest rate, the Bonds will be awarded to the bidder whose bid is time-stamped the earliest in *PARITY* from among all such lowest rate bids.

The College reserves the right in its sole discretion (i) to waive any minor errors or irregularities in form or content of any bid or in the electronic bidding process, (ii) to reject any and all bids for the Bonds, and (iii) to resell the Bonds as provided by law. No sealed, telephone, facsimile, telegraph or personal delivery bids will be accepted. All bids must be submitted electronically through the *PARITY* web site.

Adjustment of Principal

After selecting the winning bid, the aggregate principal amount of the Bonds and the principal amortization schedule may be adjusted as determined by the College, with the advice of the Financial Advisor to the College, in \$5,000 increments to reflect the actual interest rates and any premium/discount in the winning bid and to create a more desirable debt service structure for the Bonds and the College’s outstanding bonds.

Such adjustments shall be made at the sole discretion of the College. Any adjustments pursuant to this paragraph will not reduce or increase the aggregate principal amount of the Bonds to be issued by more than 15%. The dollar amount bid for the Bonds by the winning bidder will be adjusted

proportionately to reflect any reduction or increase in the aggregate principal amount and principal amortization schedule of the Bonds finally determined to be issued. Any such adjustment will be communicated to the winning bidder within 24 hours after the opening of the bids.

Official Statement and Continuing Disclosure - SEC Rule 15c2-12

The Preliminary Official Statement is deemed final by the Authority and the College as of its date for purposes of the Rule, except for the omission of information as permitted by the Rule, but is subject to revision, amendment, and completion in the final Official Statement (hereinafter the "Official Statement") to be prepared with respect to the Bonds. A reasonable number of copies (not to exceed 25) of the Official Statement, to be dated as of a date prior to settlement, will be furnished to the Purchaser within seven business days after the sale date. Copies of the Official Statement in excess of 25 will be furnished at the request of the Purchaser at its own expense. The Purchaser will be required to provide pricing information necessary for the Authority to complete the Official Statement.

In order to assist bidders in complying with the Rule, the College will execute a written Continuing Disclosure Agreement to provide or cause to be provided, in accordance with the Rule, certain annual financial information and timely notices of the occurrence of certain events with respect to the Bonds. The form of Continuing Disclosure Agreement is set forth in Appendix C to the Preliminary Official Statement and will also be set forth in the Official Statement.

CUSIP Numbers

CUSIP numbers will be obtained by the Purchaser and the CUSIP numbers will be printed on the Bonds, provided, however, that incorrect numbers shall not constitute grounds for a Purchaser of the Bonds to refuse delivery thereof.

Delivery of Bonds

Bond certificates will be delivered through The Bank of New York Mellon Trust Company, N.A. to DTC using DTC's Fast Automated Security Transfer (FAST) System. Payment for the Bonds must be made by wire in immediately available funds for credit at The Bank of New York Mellon Trust Company, N.A., as Trustee, in Philadelphia, Pennsylvania, at 10:00 A.M., Eastern Time, on the Closing Date, or at such other place and time as may be agreed upon with the successful bidder.

The Purchaser shall have the right, at its option, to cancel its obligation to purchase the Bonds if the Authority shall fail to tender the Bonds for delivery within 60 days from the date herein fixed for the receipt of the bids, and in such event, the Purchaser shall have no right of action against the Authority.

Legal Opinions

The legality of the Bonds will be passed upon by Ballard Spahr LLP, Philadelphia, Pennsylvania, Bond Counsel, in an opinion substantially in the form as set forth in Appendix D to the Preliminary Official Statement. In addition, there will be furnished to the successful bidder a supplemental letter of Bond Counsel and opinions of counsel to the Authority, counsel to the College and Counsel to the Financial Advisor, with respect to the matters set forth in Appendix B attached to this Notice of Sale.

No Blue Sky Analysis to be Provided

Neither the Authority nor the College makes any representations as to compliance with the Blue Sky or other securities laws and regulations of any state or other jurisdiction of the United States. Neither

the Authority nor the College has qualified the Bonds under the Blue Sky or other securities laws of any such state or jurisdiction. Bidders shall not offer to sell, solicit any offers to buy, or sell any Bonds in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification of the Bonds under the securities laws of such jurisdiction. It shall be the responsibility of the bidders to determine where the Bonds may be lawfully offered for sale and sold.

The Authority and the College will cooperate with the successful bidder in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the successful bidder may designate; provided that neither the Authority nor the College shall be required to execute a special or general consent to service of process in any jurisdiction, qualify as a foreign corporation in connection with any such qualification, or comply with any other requirements reasonably deemed by them to be unduly burdensome.
