FTAB Outfit Tailgates — Missouri State Game

If you are in town and plan to be on campus this weekend for the Missouri State football game **September 5, I HIGHLY RECOMMEND stopping by your respective outfit's tailgate!**

I am continuously impressed by the caliber of the young men and women in the Aggie Band today. Take some time to stop by, introduce yourself, and find out what they are doing in today's band. Meet the current COs, give the new fish some words of encouragement, and visit with the parents. These young Aggies genuinely enjoy meeting and visiting with members of the old guard, and your support means a lot to them.

If you are from the Maroon and White Band era, my suggestion is to stop by the C Battery or C Company tailgate (they only have 14 years of history.... the other outfits have been around 50 years).

Most of the outfits will also be selling merchandise to help raise money so they can continue to offer tailgates and other activities throughout the year. You'll find hats, T-shirts, towels, and other items featuring their outfit logos. It's a great way to support the outfit while taking home a little piece of the Aggie Band.

Look for the Fightin' Texas Aggie Band banners personalized with each outfits name and logo.... they will look like this:

Below is a list of the locations and times where each outfit will be set up. **See the pin-drop locations on Google Maps for exact locations.**
