## WELCOME TO ESCAPADE 33

Welcome one and all and vampires! It's the 33<sup>rd</sup> Escapade, and we remain grateful for the camaraderie, support, inclusive efforts, and outreach we've worked to maintain all these years. Mostly, we're grateful for your participation; attendees create the programming, moderate the panels, create the fan works, and *are* the convention. We offer a special welcome to first-time attendees and people younger than the con; you're the future.

We hope you brought your cosplay and/or bowtie best for the **Vampire's Ball Friday night**, but feel free to come as you are. Drinks are on us!

This program book provides convention information like our policies, the schedule, and a map of the hotel function spaces. It's online at [escapadecon.net/programbook](http://escapadecon.net/programbook), where you'll also find DIY-panel updates. Use our **Discord server #attendee-announcements** to announce on-the-fly programming like in-person meetups, DIY panels online, or room parties.

We honor and pay special tribute to **Kathy Snow (aka Snow White)**, who passed in January. She was a gracious and witty woman, a decades-long patron of this convention, a zine creator, a party organizer, a mover and shaker, and our friend. We'll miss you.

Without further ado, the information.

1. an unapproved or unconventional activity
2. a daring adventure or undertaking

## CONVENTION GUIDELINES

---

Since we're all adults who love community and are responsible for our own behavior, our guidelines are simple.

**Escapade is a Safe Space.** It's the practice of this century to spell out the status we unwittingly created decades ago: you're safe here. You're safe to share your passions, your questions, your opinions, your kinks, your guilty pleasures, and your treatises on fandom and fan culture. Make sure you've read the code of conduct online. If you feel unwelcome, unheard, or marginalized, find a con-com member or another attendee. We're each other's best allies.

**Escapade is Inclusive.** We welcome all fans regardless of orientation, preference, gender, gender identity, ethnicity, age, or ability. Welcome. Create the conversations you want.

**Photos.** You need the permission of anyone you want to photograph. If someone's badge has a red bar across the top, it means "NO PHOTOS" period. Don't even ask.

**Masks.** High-quality masks (N95, KN95, surgical masks) are required in all convention space. Some members may be at risk, so let's take care of each other. If you don't have your own, the consuite has a limited supply.

**Special Note About the Consuite and Food.** We've packaged snacks for "grab and go," from candies to mini-sandwiches, chips to brownies and canned drinks. Only ONE ROOM of the consuite is available for mask removal and eating. Windows will be open, so bring a jacket or sweater. Feel free to take food back to your room or down to the airy Atrium to eat and drink with friends. Do NOT take con food into the ballrooms; it's a violation of our contract. Thanks.

**Thursday night – welcome, registration, orientation,  
Room 530/531, 7:00–8:30 PM**

## **Friday Night Vampire’s Ball and vid party!**

As we retrieve our energy and optimism from the jaws of pandemic, let’s spill it at our vampire’s ball (8-10pm). Bring your hot costumes, your dancing shoes and your thirst—for drinks, dancing, and vids if not for blood. **We’re hosting the bar** this year, so enjoy a drink or two on us.

## **Friday Night Games**

Itching to play games? Join Katbear in Redondo and join the fun.

## **Saturday Night Vid Show**

Killa and Jo have built an amazing Saturday night new and nearly new vid show. Long-time attendees might think it’s the old days, with bonus programming. The “third half” will stream and be shown in the consuite.

**Main show in Laguna/Malibu. Vid show annex in the consuite.**

## **Saturday Night Vid-show After Party**

Join your host, Franzeska, for **the third half** of the amazingly big vid show and after party in the con suite.

## **Sunday Tea Party**

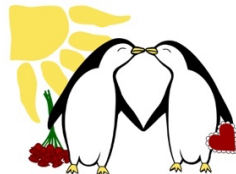

Enjoy a delightful tea party in Franzeska’s suite at 1:00 PM with a dollop of milk, sugar, and fannish discussion.

## **Sunday Dead Dog Party**

After the last panel has closed, join us in the con suite or gather in the Atrium to eat the last of the food, register for next year, keep the conversation going, and say your goodbyes.

## **Room Parties and Discord**

Parties in rooms and on Discord channels run rampant. Find your way to what fits you best.

**Thursday Evening Guided Tour.** Tour the convention space (7 PM Laguna) and get oriented. Repeats Friday after the Welcome panel.

Find the **consuite** to register, meet people, grab games and puzzles, and get information or snacks. Join any of our **83 hours** of online and in-person **panels**. Enjoy the **dealers' room** and **fanzine library**, walk through the **art show** and bid on pieces you love. Hotel guests, enjoy a **full breakfast** every morning. You'll also find **games, parties**, and **impromptu meetups** in the Atrium. In addition...

**It's the Zine Library's last year.** Whether you've been around forever or are a first-time attendee, this is your last chance to peruse the **fanzine library in the dealers' room**, with its hundreds of fanzines dating back to the 1970s and '80s.

**Friday Fan Faire.** Crafty fans will display (and sell) their creations. Friday 8:30 AM – 10:30 AM in Del Mar.

**Meetups.** Small-group discussions in the Atrium throughout the weekend. Details at the welcome panel and in the consuite.

**Sunday Art Auction.** **Three written bids** are required to send a piece to live auction. Bid early and often!

**Games & Puzzles.** We have a cache of games and puzzles in the consuite. Borrow and play. Return when you're done.

**Charging Stations** are set up for your devices in each function room and the consuite.

The **Slash Swap Meet (in Laguna/Malibu)** was born at Escapade almost twenty years ago. Fans drop off collectibles from fandoms they no longer love. Others find new stuff they adore and make a donation to the Swap jar. It's generous. It's on an honor system. It's awesome, and it supports the con and charity (ACLU).

Please be quiet and respectful of panels in the same space.

## OTHER CONVENTION RESOURCES

---

**Scholarships** support vidders; grand hostesses of Escapade; and fans who are non-binary, transgender or questioning. Scholarships reduce the cost of membership for students, first-time attendees, or any fan in need. This year, you helped TEN scholarship recipients. Welcome them! Sincere thanks to the donors who contribute to the Scholarship Fund every year.

**Schedule Online** (with links to download the program book and one-sheet schedule) has a mobile-friendly view: [escapadecon.net/schedule/](http://escapadecon.net/schedule/)

**Large-format Schedules** are posted on the inside of panel room doors, and in the consuite. Grab a giant post-it in the consuite to promote your onsite meetups!

**Misti** manages the convention suite, organizing volunteers, food, donations, and fun. On Sunday, you can pre-register for Escapade 34 at the onsite discount.

**ride\_4ever** is Escapade's one-woman welcomittee. She'll help you with details of the con—what to do, who to ask, how to get something if it can be gotten, and how to register for next year.

**Barbana** organizes the art show and Friday Fan Faire.

**Ken** manages the dealer's room, Orphan Sales table, and Fanzine Library. He will talk *Trek*, *Twin Peaks*, *OFMD*.... Visit the dealers' room; the people are as interesting as the items they show and sell.

**Megan and Charlotte** will help you if you have problems with panels, people, the hotel, or the schedule.

**Franzeska** prepared the Friday night dance party vid show; **Jo, and Killa** organized the Saturday night premiere and bonus reel. Thank them for their hard work curating and compiling the brainchildren of our creative vidders.

**Dail, elf, glymr, Elanor Graves, Jessi, Kris, Nev, yaaurens,** moderators, volunteers, everyone above, and the generous patrons make Escapade happen.

**Suite 530/531.** **Consuite**, with registration, volunteer check-in, other fans, snacks and sometimes hearty food, a room with a TV and HDMI cable set up so you can share shows with new friends, etc. Bring your own media and player.

**Catalina.** **Dealers' Room and Fanzine Library**

**Del Mar.** **Art Show and Fan Faire, and Sunday small panels**

**Laguna/Malibu.** **Large panels, Dance Party, Vid Show, Auction**

**Newport.** **Smaller panels, Friday Night Party**

**Redondo.** **Tech/Alt, Game Night**

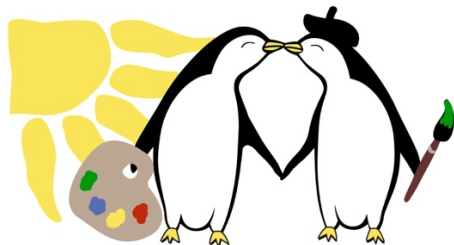

**Atrium.** Meetups and more. It's the airy, well-ventilated center of the hotel where hotel guests will enjoy free full breakfast every morning, and happy hour on weekday evenings. Some of the best conversations start in the Atrium before panels or continue after them.

Pick up a sign and stand from the Consuite to (not so subtly) invite others to join your conversations, games, or activities.

**Art Show.** Enjoy all the eye candy in **Del Mar**. Share your appreciation with onsite kudos for (the artists appreciate the feedback) and bid on art you'd like to take home.

Art requires THREE BIDS to go to auction. Be vigilant and make sure the art you want goes home with you! Your bid is your promise to pay. Art sold at Escapade supports creative fan artists, the convention, and the con charity (ACLU).

Plan to attend the art auction on Sunday morning after breakfast. Our runners put on a great show—as do our bidders!

We'll explore how to research and make historical fanworks, especially for characters whose stories are often written out of mainstream histories.  
We'll build an Ao3 reference guide, so bring your favorite fanworks, resources, and tips!

## SATURDAY

**4:00 PM, Discussion of Slush Fund ..... Chalk & Cheese**

**5:00 PM, Beyond Star Trek: The Slash of the 60s that Was (and Should Have Been) ..... Laguna/Malibu**

Kirk/Spock is the pair that launched 1,000 ships, and *M.U.N.C.L.E.* is a famed duo, but in the swinging '60s, there was *so much* fertile material. Passionate male leads drip with unresolved sexual tension. From the *Green Hornet* to *The Fugitive*, let's discuss our favorite pairings that should have been (or at least, should have been more of!).

Gideon Marcus, FancyMelon

**5:00 PM, The Locked Tomb: We Do Bones, Motherf-cker..... Newport**

Lesbian necromancers in space. Frontline Titties of the Fifth. Canon-typical necrophilia and cannibalism. God, but with memes. Cow facts. Do you love *The Locked Tomb* series? Are you curious or confused? You're in the right place! Let's talk about these books. One flesh, one end (bitch). Airawyn, Devon

**5:00 PM, Secret back room deets on Smallville & House ..... Redondo**

It's so exclusive and secret, you have to show up to be in the know. If you ever liked *House*, *Smallville*, or the real ins-and-outs of television production, be here.

Koimistress and Jane Mortimer

**5:00 PM, Sex, Sex, Sex and More Sex ..... Online**

Fandom's language for sex has changed and keeps changing over time. Not just the words we use, but how we frame relationships, how we approach interpersonal conflict, and how we use physicality to reflect emotions. Let's discuss some of our favorite fics and how language is used to make the type of story that stays with you for the rest of your life. Yvonne Gonzales

**8:00 PM, Escapade Songvid Show ..... Laguna/Malibu**

Vids, vids, vids! The show will be a livestream on Saturday night, so you can watch it in person if you're at the hotel, or online everywhere in the world!

killabeez, Jo

## SUNDAY

### **9:30 AM, Escapade Art & Charity Auction ..... Laguna/Malibu**

This is your chance to take home some of the beautiful artwork you've been drooling over. Online attendees, you can watch the stream or connect with a friend if you want them to bid for you!

### **11:00 AM, DC Comics: A Rainbow of Spandex .....Del Mar**

Let's talk about the queer characters of DC--Harley & Ivy, Tim Drake, Jon Kent, Nubia of Themyscira, Connor Hawke, and all the rest.

Greenygal, Michelle

### **11:00 AM, Vid Review .....Redondo**

If watching the Escapade Songvid Show isn't enough, and you want to dig into why a vid did or didn't work, analyze technique, and basically geek out over vids, this is the panel for you!

Fayza, Grace M

### **12:00 PM, Found in Translation: BL Worldwide ..... Laguna/Malibu**

New live-action stories centering M/M relationships come out every day in Japan, China, Korea, Taiwan, Thailand, and more! From sweeping epics to small, intimate stories, many of these shows deliberately play into beloved fanfiction tropes. Will American producers get a clue? Do we want them to? Whether you want to share your favorite danmei/yaoi/Boy Love show or just see what the fuss is about, this panel is for you!

glymr

### **12:00 PM, Interview with the Vampire: No One Left to Stop Us from "Interviewing" the Vampire .....Del Mar**

They changed the timeline, the ages, the characters, and the backstories--and it only made everything hotter, sexier, satisfying, and really intense.

What do we like? What do we dislike? What do we ship the most? Let's discuss our latest sexy fandom revival. Now with fewer lawsuits!

Airawyn

## SUNDAY

### **12:00 PM, Draw Your Own: Gardens of Gayness.....Redondo**

The design of gardens for their erotic potential reached its height in the 18th century -- but let's bring it into the 21st (and further) with a fandom twist! Drawing materials will be provided, but feel free to bring your own.  
Neth

### **1:00 PM, In a (really, really big and well-populated fannish) Galaxy Far, Far Away... ..Laguna/Malibu**

The SW universe has expanded its universe like any good fandom, producing new content that's arguably better, more detailed, and richer than the early source. And, like fandom, there's no hint that it will stop expanding any time soon. Discuss!  
killabeez, Mona Jones

### **1:00 PM, Wildcard Panel.....Del Mar**

We save this space for the topic that is more current than when the panel suggestions closed and the ballot was completed. Chosen on-the-fly during the welcome panel.  
TBD

### **1:00 PM, Physical Zine Preservation.....Redondo**

The universities that have zine archives have mostly closed for new entries. There are people willing to donate zines to fannish archives but no archives. Should we (should someone) start an org? Do we have physical storage space volunteers? What would it take to set up a database?  
Elf

### **1:00 PM, Tea Party ..... TBD**

Come enjoy a nice cup of tea, whether you take it black or with a dollop of milk and seven sugars.  
Franzeska

## SUNDAY

### 2:00 PM, Too Tall To Ride This Fandom ..... Laguna/Malibu

Owl House, YA novels, K-Pop, She-Ra, Rescuebots: most of your new blorbo's fans are new to fandom, under 20, or both. How do older fans navigate the social mores, emerging slang, and community structures of fandoms with a large youthful presence? Let us talk about the shades of gray when the antis and the newbies are still discovering black and white, how it feels to be the only person in the conversation who can rent a car, or that horrific feeling when your backpack or shirt is older than everyone else on the Discord.

sprocket

### 2:00 PM, Dr Who: Who's Who these days? .....Del Mar

The 60th anniversary is coming up. Let's visit with new Whos (from first female to first person of color with a detour in between), the three specials in November with the return of some familiar faces, and changes in companions and villains. What did we love and still love or want to see? What do you think of the move to Disney in 2023?

yaurens, KatBear

### 2:00 PM, Wait, You Found What????.....Redondo

Have you found a fanwork so wild/ bizarre/ fascinating/ bugfuck wild out there that you just HAVE to share it with someone? THIS IS YOUR CHANCE. Bring your Best (and Worst) fanworks you've found in the wild that blew your mind. We're talking kinkmeme fills, youtube poop, regreetsy works, and anything else that you can never unsee. You bring the Tea, we bring the popcorn.

Tree Wishes

### 4:00 PM, Dead Dog Party..... Room 530

It's the last space open, and the last con space people gather to finish off the food and beverages, continue the conversations, and say goodbye.
