

HP Bright White Inkjet Paper, 3-in Core

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

Experience ColorPRO Technology—at its brightest

See the ColorPRO difference

See the bright, clear difference. See precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Bright White Inkjet Paper, 3-in Core with ColorPRO Technology is designed for HP PageWide XL printers to deliver professional quality, striking results optimized for high-production environments. HP bond papers with ColorPRO Technology use 13.5% less ink and provide up to 60% more color than standard bond papers without ColorPRO Technology.¹

Print with ease—with the environment in mind

Keep a brisk pace. HP printing materials are designed together with HP PageWide XL pigment inks and HP PageWide XL printers to provide dependable, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable,² FSC®-certified paper.³

Increase productivity, lower printing costs

Optimize your everyday printing with the reliable, trouble-free performance of cost-effective HP Bright White Inkjet Paper, 3-in Core. Many choices, including metric sizes, cut steps from the workflow for higher productivity, and lower costs of printing.

Target customers	Applications	Benefits
Reproduction houses	Architecture (AEC) and engineering (MCAD) applications	13.5% less ink and up to 60% more color than standard bond papers ¹
