Reliability

Consistency

HP large format printers   **Original HP inks**

Get brilliant results with an easy-to-handle film

Achieve accurate photo reproduction, crisp detail

Produce POP, retail, and event displays full of vibrant color and brilliant, photo-realistic images. Together with Original HP inks, this material gives you a wide color gamut and excellent gloss uniformity for smooth transitions and crisp detail.

Gain efficiency

Help keep your production process moving smoothly. Instant-dry, smudge-resistant prints are easy-to-handle and feature a permanent self-adhesive for secure, reliable mounting.

Offer a range of indoor and outdoor displays

Take advantage of this versatile material, compatible with both HP pigment- and dye-based inks, that is also REACH compliant[1] - a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals. ICC profiles help you get the right color, right away. Indoor prints provide over 35 years unlaminated display permanence.[2]

Target customers	Applications	Benefits
Commercial print service providers	POP and retail displays	Vibrant color, excellent gloss uniformity
Quick printers	Trade show and event displays	Brilliant, photo-realistic images enabled by excellent bleed control
Copy shops	Temporary exhibitions	A permanent self adhesive for secure, reliable mounting
Architects	Architecture competitions	Easy-to-handle, instant-dry, smudge-resistant prints
		35+ years unlaminated indoor display permanence on HP DesignJet Z-Series printers[2]
		Compatible with both HP pigment- and dye-based inks
		Indoor and outdoor application versatility
