

# Large Format Printing Materials Product Update

July 11, 2023

**Affected Product: HP Premium Poster Paper**

**Part #s: N3T48A, N3T49A, N3T50A**

The base paper for HP Premium Poster Paper changed due to supply chain constraints. BMG is now reverting to the preferred, previous version (203 microns / 8 mil; 200 gsm). No update to ICC profiles will be required and part numbers have not changed. Please contact your BMG representative with any questions.

Thank you for your business,

**BMG/HP Large Format Printing Materials Team**
