## Sermon Series Questions

### BLAKE JENNINGS | "CONNECTED TO THE NATIONS"

#### CONNECT

- Why does God deeply care about us, as Christians, having relationships with "foreigners"?
- Have you ever experienced a moment of worship with someone from a different nation, tribe, or tongue?

#### GROW

- Read Genesis 1:27. What does it mean to be "image-bearers"?
- Read Matthew 28:18-20. What does "the nations" mean in *this* context?
- How will engaging in missions deepen our love and worship of God?

#### ENGAGE

- Read Leviticus 19:34; 23:22. Who is in your life that is from a different country than you are? How should you relate to them?
- What blessings do you currently enjoy that put you under obligation to be a blessing to the nations?
- How is God calling you to engage with the nations right now?
