Chalk Twister

Supplies needed: chalk (optional: trampoline)

Draw a twister board on the driveway (or if you have a trampoline use this as a little more of a challenge).

Bean Bag Toss

Supplies needed: chalk, bean bags

Draw 4 circles to aim for, one inside of the other. (10, 20, 30, 40 points)

Color Scavenger Hunt

Supplies needed: Bag, sheet of paper, markers/crayons

On the blank sheet of paper make a color block of multiple colors. Then head outside and find things that match the colors on the sheet of paper. (This can also be done inside too)

Water Balloon Volleyball

Supplies needed: Water balloons, twin sheet or towel, net or something similar

Fill water balloons. Each team will hold that towel or sheet and catch the balloon and launch it back to the other team over the net.

Tic Tac Toe

Supplies needed: Paper Plates, supplies to make the board

Make a tic tac toe board on the ground, using leaves, sticks, etc. Write X and O on the paper plates. Play Tic Tac Toe as normal or for a challenge, use the plates as frisbees trying to get the plates on the board.
