WHICH OF THE FOLLOWING BEST DESCRIBES YOU:

- \_\_\_ SEEKER/ INQUIRER: I am exploring the claims and teachings of Jesus. I am curious about the Christian life, the church, and may even consider myself a "Christian", but I have not believed that forgiveness of my sin is found only in Jesus Christ.
- \_\_\_ NEW BELIEVER: I recently believed that Jesus Christ's death and resurrection have made a way for me to know God, and I have accepted His grace that forgives and redeems me. I desire to grow in my understanding and to honor Him with my life. I also want to be involved in the church.
- \_\_\_ INACTIVE BELIEVER: I have been a believer in Christ for some time, but for a while now I have not desired to seek God or to be part of the church. Because of my lack of effort, I recognize that my spiritual maturity level has not been progressing.
- \_\_\_ GROWING BELIEVER: I am a believer in Christ who recognizes the significance of all He has done for me. As a result, I actively seek to know God more by studying His Word, praying, worshipping, and participating in the church.
- \_\_\_ LEADING BELIEVER: I trusted Christ personally a number of years ago. Since then I have grown significantly in my understanding of Him and my identity as His child. I believe my life positively influences the lives of others, inspiring them to know God more and become leaders themselves.
