Preacher: Paco Lopez

Their Story. Your Story

Second week in the series: Stories Of Faith

Hebrew 11:4-7

In our second message of our “Stories of Faith” we are reminded of what actually pleases God; faith. The writer of Hebrews highlights this principal through pointing us to the stories of 3 OT characters, Abel, Enoch, and Noah who are attributed with having pleased God not by their obedience alone, but by their faith. We too can please God through our faith and be assured that he will reward us with His presence and inclusion in His family through Christ, the perfecter of our faith.

Discussion Questions:

1. What stories of faith are you most encouraged by (whether from scripture or modern day)?
2. Do you have any stories of faith from your own life? How have those strengthened your trust in the Lord?
3. Are you assured or troubled that it is the content of your heart, not your giving that pleases God?
4. What’s one area of your life where you are struggling to trust God? What’s one step you can take to start building your own story of faith there?
