# **BY FAITH: Re-orient, Re-focus, Receive**

*Third week in the series: Stories of Faith*

**Hebrew 11:8-11**

As we continue our “Stories of Faith” series through Hebrews 11, we’ll look at two of the most central characters in the Bible. Abraham and Sarah. We can learn from their example of faith, as they faced similar life challenges that we do today, and find Jesus in our lives.

## **Discussion Questions:**

1. What’s the biggest life challenge / decision you are facing now? How is that challenging your faith?
2. Describe a time when you were the new person? Did you like that feeling? Did you want to change how it felt?
3. What is the best gift you’ve ever received? Why was it the best and how did you feel?
