Preacher: Paul Taylor

What Do You See When You Look to Jesus?

Eighth week in the series: Stories of Faith

Hebrew 12:1-2

As we finish up our series in Stories of Faith, we consider one last character: ourselves. Having been inspired by the faith of others, we are encouraged in our own faith journey to focus on Jesus. The reminder is simple, but easily forgotten. With so many distractions, our eyes are drawn to a variety of things. But could there be another reason we don't focus on Jesus? Could it be that we're afraid at what we'll see when we look into his face?

Discussion Questions:

1. Who in your life has encouraged your faith and cheered you on?
2. How have you learned endurance in some area of your life?
3. What do you expect to see when you look into the face of Jesus?
4. Where does joy fit into your faith?
