

For the week of May 8, 2022  
Preacher: Dan Westman

# The Door of the Sheep

Third week in the series: I Am  
John 10

What makes life worth living? Some would say pleasure. Others would say power. Still others might say fame or success or even love. In the most obscure of the “I am” statements, Jesus corrects our misunderstandings about the good life and shows us that abundant life is only found in him.

## Discussion Questions:

1. Have you experienced Jesus as your protector? If so, how have you experienced this?
2. Have you experienced Jesus as your provider? If so, how have you experienced this?
3. Where are you tempted to look in your search for a meaningful, satisfying, and abundant life? How does Satan use these things to steal, kill, and destroy your love, joy, and peace?
4. Do you feel like you are experiencing the abundant life that Jesus promises? Are there specific areas of your life where you feel his abundant blessing? Are there places in your life where his abundant blessing feels absent? How might you experience more of the abundant life that Jesus offers?
