Love

Second week in the series: Fruit of the Spirit
Galatians 5:22-23

The first fruit of the Spirit is “love”—that is, love for other people. What motivates us to love, and what, practically speaking, can we do to express love?

Discussion Questions:

1. If it is true that we love because God first loved us, how do you think you might open to the love of God so that you might love others? (1 John 4:19).
2. Listen to God speak these words to you in Isaiah 43:4: “You are precious in my eyes, and honored, and I love you.” What do these words mean to you?
3. Remember a time when you felt loved by someone. What did that person do to make you feel loved?
4. How, practically speaking, are some of the ways you can express love for other people?
